FOR IMMEDIATE RELEASE
November 21, 2008 1:00pm

SAND AND SAND BAG AVAILABILITY

MONTECITO, CA – The Montecito Fire Protection District is assisting you to be prepared in the event of flooding. *Areas that are of particular concern are those that were affected by the Tea Fire and any low lying areas that are prone to flooding.*

Sand and Sandbags:

- Are Limited to Residents of Montecito
- Cannot be Returned Once Taken

Sand and Sand Bags are Available at the Following Locations:

Montecito Fire Protection District – Station 1
595 San Ysidro Road

Montecito Fire Protection District – Station 2
2300 Sycamore Canyon Road

DURING A FLOOD REMEMBER

- Never wait for someone to tell you to move to higher ground if there is a declared FLASH FLOOD WARNING announced in your area.
- Never try to touch electrical equipment if you are wet or if you are standing in water.
- Never attempt to walk through an area of running water.
- Never attempt to drive a car, truck or SUV in flooded areas. Remember... 6" of water will stall an engine.
